

Train Kills Redwood City Carpenter

Frank S. Lockwood, 46, who for the past 10 days had resided at 414 Marshall St., Redwood City, met instant death Monday at 5:15 p.m. when the 1929 Ford coupe he was driving was struck by the engine of a southbound passenger train on Fifth Ave.

Lockwood, a carpenter employed on a construction job at Millbrae, was driving west when the accident occurred. The automobile was knocked 30 feet to the side of the track, and Lockwood was thrown between the railroad tracks. There were no witnesses, Dep. Coroner Lewis E. Franklin reported.

Lockwood's injuries consisted of a fractured skull, broken neck, crushed chest, broken legs and a broken arm.

A brother, Tim, of Canada, is the only known surviving relative. His name and address were found in Lockwood's room at the Marshall St. address. Lockwood was a member of Carpenters Union Local 162, and had come to Redwood City from Los Angeles. He was a native of England.

Funeral arrangements are pending at Franklin & Crowe Mortuary.

Lorenz Matzen, 19, San Bruno, suffered minor injuries when a car driven by George N. Jacobs, 19, 1218 Hudson St., Redwood City, overturned on Mt. Home Rd. near Woodside.

Four year old Walton J. Butler suffered major injuries Monday at 1 p.m. on Bayshore Hwy. at Marsh Rd. south of Redwood City when he was struck by a car driven by Joseph G. Marsony, 46, Carmel.

Marsony told highway patrol

DRAFT: Menlo Park Sends 23

Twenty-three men from the Menlo Park area have been added to the steadily growing armed forces in the latest list released by Selective Service Board 107 in Menlo Park.

Seventeen draftees reported Tuesday at the presidio. Monterey, for army service, while five navy enlistees and one army air corps candidate are awaiting orders to active duty.

Harry J. McFadden enlisted in the army air corps.

Navy enlistees are: Carl V. Bledsoe, William K. Cranor, Albert C. Jacobson, Robert A. Helfrich and Frank R. Denney.

Army draftees are: Clifford Boren, Joseph J. Reginato, Lino E. Farina, Leo C. Burkhardt, Richard M. Price, Bernard N. Cohn, Tulio A. Angelini, John E. Hatch, Charles E. Cleal, Lyndell F. Dillender, Shirley L. Rusch, Peter B. Duzanica, Pedro B. Dias, Norman G. Pennington, Hans H. Hagemeyer, Kenneth H. Rowley and Robert L. Whitney.

Old-fashioned husking bees have been revived by students at the Pennsylvania State College to aid farmers.

Officers that two boys ran in front of his car from a field in which they were playing. Marsony slowed his car and swerved, missed one boy, struck the Walton child. The boy is the son of Frank Butler, Friendly Auto Court, Redwood City.

Pvt. Maxwell A. Meyers, 20, Camp Roberts, who was injured in an automobile accident at Woodside Saturday night which resulted in the deaths of Thomas Hilleary, 20, and Joan Munroe, 19, Stanford students, remained in Palo Alto Hospital today. His injuries were not serious, his attending physician reported. He received lacerations of the face.

Pay Boost Proposed In Budget

Redwood City city employees will receive a \$10 a month increase in war bonuses, bringing the war bonus total to \$25, if the preliminary budget for 1943-44 submitted by City Mgr. Robert W. Mead to the city council at a special meeting this week is given final approval in July.

Salary increases would amount to \$20,951. Recommended salary increases total \$21,569, while decreases amount to \$1618. Largest decrease—\$1080—is in the building department, where business has been curtailed because of priorities on building materials.

Largest proposed increase is in the police department, where \$42,530 is recommended, compared to \$38,860 in the 1942-43 budget—an increase of \$3670.

An increase of \$2920, from \$6720 to \$9640, was recommended for the street department employees; an increase of \$2650, from \$29,560 to \$32,210, was recommended for the fire department, and \$2642, from \$5800 to \$8442, was recommended for street cleaning.

Mead was reluctant to reveal the basis of the increases other than regarding the war bonuses. He said, however, a salary ordinance is being drawn up.

Other departments in which salary increases are recommended are city manager, \$213; collector-assessor, \$1565; engineer, \$1880; attorney, \$120; police judge (including clerk), \$155; corporation yard, \$751; sewer department, \$1853; parks department, \$1500; recreation department, \$300; yacht harbor, \$270, and public library, \$1080.

Proposed decreases are: Clerk-treasurer, \$13; janitor service, \$20; animal shelter, \$85; building department, \$1080; electrical department, \$420.

City Council Approves New Preliminary Budget

Members of the Redwood City City Council today had approved a preliminary 1943-44 budget calling for expenditures of \$342,085.40, a net increase of \$23,708.13 over the 1942-43

ly dissolved, deducting \$600 from the 1943-44 budget.

Mead pointed out that a \$3000 figure for flood control in the 1942-43 budget was not included in this year's budget because the sum was set aside last year for a special project on Perry St.

Of the \$34,370.10 gross increase in expenditures during the next fiscal year, according to the preliminary estimate, \$16,120.59 will be for departmental and general requirements. Special purpose requirements will account for the other \$18,249.51 of the increase.

FOUR DECREASES

Of 20 classifications under general purpose expenditures, four will show a decrease: General government, animal shelter, building department and electrical department. A large percentage of the increase in other classifications is in salaries.

The budget anticipates a cash balance from 1942-43 requirements of \$32,716.98. Mead estimated revenue from sources other than taxes at \$80,464.48 and income from taxes at \$228,903.94.

In submitting his proposal for a postwar program Mead suggested allocation of 35 per cent of the fund for drainage; 35 per cent for bridges, street and road construction; 10 per cent for acquisition of land or development of recreational facilities; 20 per cent for purchase and replacement of equipment. These proportions are subject to change, however, before the final budget is adopted.

Only routine discussion preceded adoption of the budget as submitted to the council.

A comparison of the general purpose budget for 1942-43 with proposed expenditures for 1943-44 follows:

Department	1942-43	1943-44
General government	\$13,514	\$12,515
City manager	5,115	5,263
City clerk, treasurer	5,475	6,617
City collector, assessor	8,232	8,776.50
City engineer	2,650	4,535
City attorney	3,305	3,475
Police judge	2,750	2,905
Police department	47,560	52,150
Street department, maintenance	12,000	17,715
Street department, cleaning	6,550	7,592
Municipal buildings	3,450	3,930
Animal shelter	3,205	2,885
Corporation yard	2,305	3,536
Fire department	37,055	37,971.35
Building department	3,105	2,040
Sewer department	6,500	8,393
Parks	12,170	13,570
Electrical	20,430	16,784.74
Paint shop	5,275	6,028
Recreation	2,760	2,945
Yacht harbor		
Total	\$203,406	\$219,626.59

Item	1942-43	1943-44
Retirement fund	\$16,500	\$14,500
Repay water department loan	7,500	
Flood control	3,000	
Civilian defense	4,000	7,500
Fleishman pension fund	3,149.15	720
Unbudgeted reserve	8,214.42	6,000
Postwar development		24,893.09
Street, road, regional drainage surveys, reports		2,000
Draining, dredging, construction, including Jefferson Ave. culvert obstruction removal		5,000
Total	\$42,363.58	\$60,613.09

MOSQUITOES: Lack of Men Hinders Abatement Methods

The extra number of mosquitoes in San Mateo County this year is due to the scarcity of men! That is the main reason for the mosquito menace which has brought numerous complaints recently to the Pulgas Mosquito Abatement District, A. H. Sagehorn, acting secretary, said today.

Early this Spring, district officials felt they had the situation well in hand but late rains started a new crop of the pests. "We have the money to spend and the materials to use," Mr. Sagehorn says, but finding men to carry out the procedure is the problem.

Frank Gainer, superintendent, was instructed at the last meeting of the district, May 13, to hire men to spray diesel oil on

Tortoises found on the Galapagos Islands weigh up to 400 pounds.

DEFENSE: Services Co-Operate

A recruiting campaign for all branches of civilian defense in Redwood City will get under way with appointment of a recruiting committee, Louis B. Demateis, public relations committee chairman, announced this week.

The war council, at a meeting Monday night, voted to appoint a recruiting committee composed of representatives from fire, police, air raid wardens, public works and medical services, plus three other members.

The campaign will be culminated by demonstrations of all services in the latter part of July during Civilian Defense Week, if present plans materialize. Chiefs of each service will make suggestions as to appointments, Demateis said, and the recruiting committee will set quotas for the services.

War council meetings, open to the public, will be held the second and fourth Mondays of each month in the council chambers at the city hall, it was decided last night.

John, Robert Lynch Sue Brother

John A. Lynch of Burlingame, former county supervisor and tax delinquent lot expert, and his brother, Robert, have filed suit in superior court against

Walter D. Lynch, another brother, seeking a court order to determine that the three are equal partners in Lynch Bros., Burlingame tire firm. The complaint alleges that the co-partnership was formed in 1925 by oral agreement, incorporated in 1939 and forced into involuntary bankruptcy two years later.

The business was reorganized as a co-partnership, the complaint claims, but Walter Lynch claims to be the sole owner. Value of the firm was stated to be \$20,000.

"THE VOICE WITH A SMILE" HAS A NEW MESSAGE

Please limit your call
to 5 minutes.
Others are waiting

EVEN with a war, we'd like to keep on giving you quick service on Long Distance calls.

Most of them go through all right but some routes are crowded—like the railroads.

When the circuit you want is extra busy, the operator will ask you to limit your Long Distance call to 5 minutes.

It won't happen on all circuits, all the time. But when it does happen, we know you'll understand why.

It will help to give the other fellow a chance. Tomorrow that other fellow may be you.

BUY WAR BONDS FOR VICTORY

TIME YOUR TRAVEL

to aid the war effort

FRIDAY
SATURDAY
SUNDAY
MONDAY

TUESDAY
WEDNESDAY
THURSDAY

On these four days, most service men and war workers travel, and they must be served.

Other travelers should confine their essential trips to these three days only.

There are only so many buses and bus seats. Practically every seat is working day and night to carry vital war traffic and other passengers whose travel is essential to the nation's welfare.

Fridays, Saturdays, Sundays and Mondays are the busiest. On these days there is little room on the buses for people whose travel isn't absolutely necessary.

Tuesdays, Wednesdays and Thursdays are the days on which we are better able to serve travelers whose business may not be directly connected with the war.

Even in mid-week, our frank advice is: If you can postpone or eliminate the journey, please do so.

And for those who must travel, we repeat three important suggestions, which, if followed, will aid the war effort by making conditions easier for all travelers.

WARTIME TRAVEL SUGGESTIONS

1. Consult your local Greyhound agent well in advance so he can help you choose the least-crowded schedules.
2. Arrange trips whenever possible to go and return during mid-week rather than on week-ends.
3. Carry only the baggage that is absolutely necessary.

Bus Firm Urges Travel Limits

Why today's manpower shortage makes it increasingly important for the public to voluntarily limit pleasure trips and co-operate closely with transportation companies has been explained by F. W. Ackerman, vice president of Pacific Greyhound Lines.

"If selective service boards induct an appreciable number of fathers this year, the manpower shortage of intercity bus companies will become even more acute," Mr. Ackerman said, quoting from a study just made by the National Association of Motor Bus Operators.

"This study," Mr. Ackerman stated, "shows that 73 per cent of all bus drivers are between 21 and 37 years of age, and 62 per cent of maintenance personnel are between 18 and 37. Most of these men have been deferred because they have children. Last year the nation's bus lines lost nearly half of their bus drivers principally to the armed services, although transportation is considered a vitally essential vocation. In addition to their replacement, the bus lines had to greatly increase the number of drivers to take care of wartime transportation demands. And the problem is not only one of employment, but also of training, because every new bus driver is required to take a lengthy course of instruction in the interests of public safety. There was an even higher rate of turnover in the maintenance departments, because of employees joining the military forces."

If you can still get pastel shaded afterdinner mints they can be used effectively for coloring cake frostings. Crush the candies until like powder, then thin with a little cream and use as frosting or add to other frostings to give the desired tint.

Theater Names Contest Winners

For 13 consecutive days, the Sequoia theater ran a contest, based on the title of the best-selling John Steinbeck novel, "The Moon Is Down."

The contest editor's desk has been swamped with answers, and after burning the midnight oil for several nights in succession, he has announced the following winners:

First prize goes to Mrs. Bessie Storey, of 370 Hillview Ave., Redwood City. Mrs. Storey submitted 50 complete sentences, using the letters from the title "The Moon Is Down," using only the letters in the title, and each phrase making sense.

Second prize goes to Mrs. M. Yancey, of 740 Haven Ave., Redwood City. This entry, besides quoting twelve sentences, also gave 300 separate words, made from the title "The Moon Is Down."

Third place was won by Mrs. Lowell Mason, of 546 Roosevelt Ave., Redwood City, who gave 345 words, 61 names, 54 foreign words and phrases and 42 prefixes and suffixes.

Guest tickets have already been mailed also to the following contestants, whose entries were judged as winners.

Mrs. Wayne Reed, 1241 Roosevelt; Mrs. J. Nilleen, 1821 Jefferson Ave.; Mrs. Douglas T. Burch, 86 Claremont Ave.; Miss Straney, Rt. 2, Box 3211-C; Miss Elizabeth Paget, 356 5th Avenue; Faye E. Pierce, 1142 Valota Road; Mrs. Etta Sears, 232 Fuller St.; Beryha White, R. R. Box 454 B. Menlo Park; Bard H. Perry, 163 Iris Street; Lea Foreste, 258 Lowell Street; Margaret Ellen Jory, 338 Grand Street; and Billy Dean, P.O. Box 857.

Every time a 16-inch gun is fired, 120 pounds of nitrogen is released.

Woman Displays Record-Sized Egg

Mrs. E. A. Urban, 321 Fuller St., today displayed a pullet egg weighing 3½ ounces, which she claimed as a record. Mrs. Urban said the little hen has been laying since the first of the year and produced her maximum effort as though it were routine business.

Mrs. Urban says she finds in chicken raising an effective

New CD Booklet Now Available

means of meeting the ration point problem.

the U. S. Civilian Service Corps in this community. G. W. Carlson of the Redwood City Bottling Co. feels that a great many people in this community will want to secure a free copy of this booklet. They may do so either by getting in touch with the local Lima Cola bottler, Redwood City Bottling Co., or the local Civilian Defense Council office.

Nurse Sues Doctor For Injury Damages

Jennie Diamond, registered nurse, today sued Dr. E. I. Bartlett of South San Francisco for \$50,000, claiming he erred in diagnosing an ailment which resulted in an operation on her left leg. She claims the operation resulted in a condition which requires her to wear a brace. She asks in addition \$2110 special damages for loss of wages, employment of a housekeeper and other expenses.

Three Negroes Face Dual Charge

Three Negroes with a stolen car and stolen gasoline ration stamps sufficient for 9000 gallons, were in the county jail here today facing prosecution by Daly City and San Diego authorities. The captured trio admitted that one more member of the gang was at large. They were accused of stealing the ration books and \$140 in cash from a Daly City service station. They admitted the ra-

tion coupon theft but said they obtained only \$20 in cash. The car they stole in San Diego nine days ago. The men were apprehended on California St. in Redwood City by Officer Cole Stafford, who lined the trio against the Tribune building at gunpoint when he became suspicious of their actions.

The mountain laurel is the state flower of Connecticut.

SAFEWAY Homemakers' Guide

Featuring garden specials

It's time by the calendar to begin featuring garden specials on the menu and save those canned goods for future days. These garden specials can well be served as double-duty foods, for they can be both the main course and the vegetable course... time-savers and appetite satisfiers all at the same time.

SAVORY STUFFED TOMATOES

Wash tomatoes, slice off stem end and scoop out the center leaving a tomato cup. Chop pulp and mix with any of a number of foods such as chopped leftover meat, shredded cheese, mashed hard-cooked eggs, precooked vegetables, and or bread crumbs. Season to taste and refill tomatoes. Place in a greased baking dish and bake in a moderate oven (375°F.) for about 20 minutes or until tomato cups are tender. A grand way to use up left-overs and still have a tempting dish.

SPINACH SCRAMBLE

Cook fresh spinach until just tender, cut finely, and add to scrambled egg mixture. Scramble eggs as usual. Serve hot as hot with tomato wedges for garnish. Tasty, attractive and certainly satisfying.

CARROT LOAF

Steam 2 cups coarsely shredded carrots in just enough water to cover bottom of pan. While still hot, combine with 1½ cups soft bread crumbs, ½ cup peanut butter or finely ground nut meats, grated onion or onion juice, and salt and pepper to taste. Stir in 2 well-beaten eggs to bind ingredients together. Pack into greased loaf pan and bake in moderate oven (350°F.) for about 30 to 40 minutes or until firm. Unmold, slice and serve as you would meat loaf. May be topped with a peanut butter white sauce.

FILLED SUMMER SQUASH

Cook small, whole squash until tender, split while still hot and scoop out pulp. Mix pulp with ground left-over or fresh meat, a touch of sage, cracker crumbs, salt and pepper to taste, and enough evaporated milk to hold ingredients together. Refill squash, place in baking dish with just enough water to cover bottom of the dish, and bake in moderate oven (350°F.) for 30 minutes or until meat is cooked and squash is slightly browned.

SHORT ON CANNED BABY FOODS?

FLOOD PARK: Ceremonies Will Herald Pool Opening

Mal Coombs, county recreation superintendent, announced today that formal exercises Sunday at 1 p.m. would open the swimming pool at Flood Park near Menlo Park for the season. The program, arranged by Miss Rosa Bloxham, Sequoia High School instructor, will include exhibitions by the Flood Park Swimming Club, a group of girls organized by Miss Bloxham, and a water safety program demonstration by Clyde Devine, Sequoia coach.

The pool will be closed Monday to reopen Saturday for the Summer.

Free swimming lessons will be offered for children from 11 a.m. to 1 p.m. daily except Sunday and Monday, and on Wednesday and Friday from 6 to 7 p.m. for adults. Admission rates are unchanged from last year.

Coombs said the pool, opened last year, has been refinished with a smooth plastic cement and tile gutters.

Officers Seek 7-Cabin Burglar

The San Mateo County sheriff's office today continued its search for a summer home burglar who ransacked seven or more cabins in the Sky Pond-Redwood Park area in the past week.

Dep. Sheriff Thomas Maloney, who investigated, said the stolen article included clothing, blankets, electric plates, radios, a fireplace set, clocks, tools, liquor, a vacuum cleaner, a set of silverware and a garden umbrella. Total amount of the loss exceeds \$400.

Among the victims were William Mische, 512 Clark Dr., San Mateo; H. J. Kohl, Rudolph W. Feil, Donald Weeks and Mrs. A. L. Block of San Francisco.

Pension Changes Can Reduce Taxes

The San Mateo County tax rate can be reduced at least five cents if old age pension rolls are held to their present levels, the California Taxpayers' Assn. stated today following a study of changes made by the legislature in the old age assistance law.

Under the present law about \$129,100 would have been needed annually to pay for the 1177 needy aged persons who received assistance in this county in April. This is about 9.8 cents on the county tax rate.

Under the new financial set-up, the annual cost to the county for such a group is estimated by the association to be \$62,900. This amounts to a saving of \$66,200, or about five cents in the county tax rate.

The law as changed by the legislature, raised the maximum aid per eligible needy person

Gibbs To Head Toastmasters

Frederic Gibbs will be president of the Toastmasters' Club during the coming semester following his election Monday. He and other new officers will be installed at ladies' night next week. Other officers are Norman Meyer, vice president; Scovel Mayo, secretary-treasurer, and Guido Brandolini, sergeant-at-arms.

Home talent will predominate at the installation meeting starting at 6:30 p.m. Ross Winchester will be master of ceremonies and Rudolph Kalenborn is program chairman.

Five speakers at Monday's meeting were Donald Bogle, Guido Brandolini, Mayo, Kalenborn and Winchester. Earl Whitaker was chairman, Mr. Virgil Anderson, critic.

S.C. Eighth Graders Plan Saturday Outing

SAN CARLOS—Eighty eighth graders who will graduate from San Carlos School a week from Thursday will have a final get-together Saturday. They plan to meet at the recreation center at 11 o'clock Saturday morning for games and lunch. At 1:30 they are scheduled to go to Sequoia High School where the swimming pool has been reserved for their use.

Sixth and seventh graders too are planning a series of parties at the park for this week. Ralph Shaw, recreation director, said.

Fats and oils are an indispensable part of the human diet. from \$40 to \$50 per month, but reduced the county maximum share of aid from \$10 to \$5 per month, effective July 1, 1943, the association said.

New Law Effective On July 1

San Mateo County Board of Supervisors, by 4 to 1 vote, Tuesday adopted a 10 p.m. wartime curfew for minors under the age of 18. The law, applying to the unincorporated areas of the county only, will become effective July 1.

Supervisor Thomas L. Hickey urged adoption of the ordinance to curb juvenile delinquency. Supervisor Alvin S. Hatch, Half Moon Bay, voted "no" on the contention that any curfew should apply equally in cities and unincorporated areas.

Chmn. Fred E. Beer said efforts over a two-year period to obtain unanimity of action between the 12 cities and the county had failed.

"If the cities are not willing to co-operate, it is that reason why we should be guided by the city trustees," demanded Hickey. "We should do our duty regardless of the cities."

The ordinance, recommended by the County Probation Committee, makes it unlawful for unaccompanied minors under 18 to be on public streets or in public places after 10 p.m. except on Fridays and Saturdays when the curfew is extended to midnight.

Exceptions are made for minors whose employment or business requires them to be out after the curfew hour.

The law makes it obligatory on keepers of bars, cafes, auto courts, dance halls, etc., to report the presence of unaccompanied minors to the sheriff. Minors picked up by the sheriff's office are to be housed in the juvenile home, and their parents or guardians are to be cited before the juvenile court within five days to show cause why they should not be found guilty of violation of the welfare and institutions code.

Adult violators of the law face a fine of \$500, a jail term of six months or both. Minors would be sentenced under the welfare and institutions code.

Application of the Horse Heavens Mine for a use permit to start mercury mining operations in the Woodside-Emerald Lake area, originally scheduled for action today, was continued. Planning Engineer Ronald Campbell explained that exploratory operations would be completed first, the results sent to the War Production Board in Washington, and the permit request made with federal certification that the mineral is essential to the war effort. Property owners indicated they would not protest providing a time limit is placed on the permit.

Two-hundred North Fair Oaks Improvement Club members protested continued operation of an automobile junk yard near Garfield School, south of Redwood City, and were informed that unless the yard is vacated by July 1 court action will follow.

Building Activity Drops to \$17,250

Building activity in San Mateo County's unincorporated areas dropped to \$17,250 in May according to the report submitted today by A. H. Russell, county building inspector. The total included three residences, eight alterations, 11 non-residences. The office collected \$239.75 in fees.

PUBLIC NOTICE

Bell & Anderson, Attys. PROBATE No. 10412 IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of MARION MAXWELL HARVEY PIZZOTTI, also known as Marion H. Pizzotti, Deceased.

Notice is hereby given that WALTER RADCLIFF ROGERS, Executor of the Last Will and Testament of Marion Maxwell Harvey Pizzotti, also known as Marion H. Pizzotti, deceased, having filed herein a petition to Execute Deed of Trust on Real Estate the hearing of and on the same has been fixed for Monday, the 14th day of June, A.D. 1943, at 10 o'clock a.m. of said day at the Court Room of said Court in Department No. 2 at the Court House in Redwood City, in said County of San Mateo, State of California, and all persons interested in said Estate are notified then and there to appear and show cause, if any they have, why the said petition should not be granted. Reference to said petition is hereby made for further particulars.

County Registers 40,869 Autos

Despite tire and gas rationing problems, residents of San Mateo County registered 40,869 automobiles during the first quarter of this year, the department of motor vehicles revealed today.

The loss of 1466 automobiles compares favorably with the statewide loss of 9.2 per cent announced by Gordon H. Garland, director of the department.

Only three counties, Contra Costa, Marin and Solano, which are all centers of war industries attracting large numbers of non-residents, showed any gains for the period. Rural and mountain areas, where registration renewals are frequently delayed because of weather conditions, showed the greatest losses.

The typical American home is a wooden, two-story structure containing five or six rooms and occupied by a single family.

Sequoia High School Offers Summer Schedule of Courses

An eight-weeks summer school beginning June 21 will be offered for the first time this Summer at Sequoia High School, Supt. A. C. Argo announced this morning.

Classes will be given in any course in which there is sufficient enrollment. Superintendent Argo said. The two-months session will be given because a special need for it exists this year and is planned particularly for those high school students who wish to accelerate graduation or make up deficiencies.

If Governor Warren signs a bill now on his desk, the summer courses will be offered free of charge. Otherwise, the fee will probably amount to \$10 per student, according to age.

A full year's credit may be obtained in one course or a semester's credit in two courses. School will be from 8 to 12 daily. In such courses as mathematics and language, classes may be divided into several groups.

The superintendent asked that pupils register as soon as possible to help determine how many teachers will be needed.

School Costs Show Increase

Current costs in the Redwood City elementary school district for the year 1941-42 are 5 per cent higher than they were for the year before, a study by the California Taxpayers' Assn. shows. Current figures are not yet available.

The figures are \$84.42 per pupil for 1941-42 and \$80.37 per pupil for 1940-41. Average daily attendance was almost unchanged, being 2013 for the first period and 2025 for the second period.

Teachers' salaries averaged \$56.95 per pupil in average attendance for the first period covered by the survey and \$59.42 for the second. Other expenditures

Board Files Proposal

County Executive Frederick Peterson's own solution to the salary standardization problem was filed by the board of supervisors Tuesday without comment. Peterson recommended that the salary standardization law, upping county salaries about \$114,000, be delayed for a year, allowing the civil service commission additional time for its studies. In its stead he proposed the 1942-43 salary budget plus 10 per cent.

Board Chmn. Fred E. Beer said it was his opinion that the suggestion came too late for consideration. The salary ordinance, already passed, must be in final form 30 days before July 1. The deadline was May 29.

for the two years were \$20.47 for the first and \$22.46 for the second per pupil. Expenditures for auxiliary agencies decreased in the year from \$2.68 in the first period to \$2.54 in the second.

County Signs Road Agreement

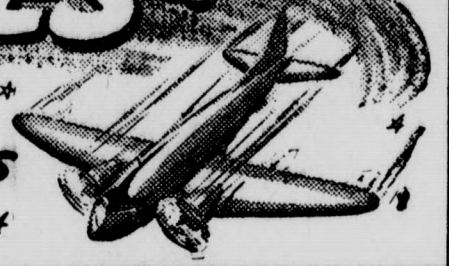

Immediate acquisition of rights of way by the state for the proposed Bayshore Hwy. freeway between San Mateo and the Dumbarton underpass south of Redwood City was assured today following action of the County Board of Supervisors late Tuesday. The board signed an agreement with the State Highway Commission for relocation of county roads to conform to the freeway design, and for maintenance of such connecting links following reconstruction by the state.

The supervisors approved a new agreement with the City of San Mateo for title clearance on 38 Studio Subdivision lots being sought for a war housing project. Under the new agreement the minimum selling price was reduced from \$700 to \$650, less a 5 per cent sales commission.

Nylon is being used as surgical sutures instead of silk.

HIS BUSINESS HAS GONE TO WAR

Duration-ize your Appliances with timely repair

YES, your Appliance Dealer's store is not so brimful today. Normally, at this season of the year, your appliance dealer would be proudly showing new models in ranges, refrigerators, water heaters, etc. That day must wait—until appliances are manufactured again—new, better, more plentiful.

Right now all appliance dealers who can have established appliance repair departments. They have no easy task with shortage of repair parts and skilled labor.

At the first sign of trouble with any of your appliances, call on one of these dealers who is making repairs. He will do his best to help you keep your present equipment running for the duration. Buy your lamps and lamp bulbs, your fuses and cords and plugs from him as you need them. And in the meantime buy War Bonds and build up a nest egg for Peace that will bring back the war-deferred comforts of America.

Who and Where for Repair

Every P.G. & E. office keeps an up-to-date list of factory-authorized repair dealers in your community

HARVESTERS: 105 Students Sign for Work

Sixty-five girls and about 40 boys have signed up to work at the student harvest camp at Superior Farm near Modesto, Miss. Doris Dean, dean of girls at Sequoia High School, said today. Thirty girls from Burlingame High School have registered and 10 boys. A few more registrations will be taken to fill possible vacancies, Miss Dean said.

Faculty members who will be in charge include Fred W. Blase, Dean Donald L. Bogie, Miss Gladys Smythe, Miss Lucille Winter, Miss Dean, Mrs. Janette Swindt, the school nurse, and from Burlingame, Miss Vera A. Maple, Lawrence Hazeltine and Miss Florence Boddy, school nurse.

The boys will go to camp about July 1 and the girls will follow around July 10, Miss Dean said. Harvest work will keep the students engaged until about the first of September, it is expected.

New Way To Wash Dishes

Modern scientists have once more turned their attention to the problems of the home and developed the answer to dish-washing annoyances. Bu-Tay Laboratories claim. It's called Rain Drops, and works on an entirely new principle. Dissolve two tablespoons of Rain Drops and one tablespoon of soap powder in your dishpan. Add enough boiling water to cover your dishes. Immerse them in the resulting blue suds, and forget about them until the water is lukewarm. Remove the dishes, and stack to drain. Rinse with hot water, and forget them again, while they dry themselves. Incredibly easy, this new way to wash dishes saves soap, is safer for china, because it eliminates the possibility of chipping. Rain Drops is harmless to your manicure, kind to your hands, and takes no time at all. This "magic in a package" is available at most grocers now.

Oil Executive Sells Home

Stephen W. Gerber, oil company executive, has sold his Atherton Oaks home to Mr. and Mrs. R. L. Burks of San Francisco for approximately \$33,000, according to a deed filed by San Mateo County Title Co. The same firm submitted another deed covering a \$16,000 sale from Harry and Daisy Ferguson to Joseph and Ida Del Valle for another Atherton Oaks residence.

California Pacific Title & Trust Co. filed a deed for sale of a Hillsborough Heights home from Walter Z. Smith to John R. and Esther B. Holmes. The indicated price was \$19,000.

Legion Official Urges Home Front Co-Operation

By MARION BELL

Warren H. Atherton, national defense chairman of the American Legion, brought a message of inspiration to an audience of some 700 at Memorial Day services held at the Sequoia Theater at 10 o'clock Sunday morning.

Back from a tour which took him across nine countries on three continents, the speaker told a story of courage and persistence found among America's sons and daughters in uniform. On the North African front, he said, soldiers all made the same plea: "Don't let the people back home quit until this war is ended in Berlin and Tokyo."

Atherton told of the soldiers in jungle outposts, "beset by pestilence and venomous reptiles, on the qui vive for an enemy that never comes," of the servicemen lying in hospitals suffering from malaria and all the diseases which attack white men in the tropics; of the soldiers in tents at the front in the "piercing African cold that freezes the marrow of your bones," and the men working in shifts "from daylight to dark to keep the planes going and the trucks running."

The Legion officer asked for the moral courage back home to "condemn those who by profiteering steal from their nation," advocated price ceilings on everything and spoke for military training for both boys and girls as a measure to ward off future wars. He advised that "every young man born within the borders of this land and every young woman" devote a year of his or her youth to learn to bear arms to uphold the ideals of freedom "if it ever again should be necessary."

The program presided over by Mayor Floyd D. Granger, was opened by presentation of colors by the Canadian Legion followed by invocation by Rev. Schuyler Pratt, vicar of St. Peter's Church. Hal Honore led the audience in singing the national anthem. Mayor Granger welcomed guests seated on the platform. Gold Star Mothers, and heads of all local veterans' organizations. Wayne R. Millington, grand president of the Native Sons of the Golden West, read General Orders No. 11. Gen. John A. Logan's proclamation naming the first Memorial Day.

Lincoln's Gettysburg Address was recited by Mrs. Thomas Carolla followed by Atherton's talk.

William H. Augustus, department inspector of United Spanish American War Veterans, gave the benediction, and the program at the theater was closed with retirement of colors, followed immediately by a parade made colorful with

artillery and infantry detachments from local camps, drum and bugle corps, marching units from veterans' organizations, police and Girl and Boy Scout units.

From the theater the parade marched up Broadway, Main St. and Woodside Rd. to the Union Cemetery followed by a throng of hundreds who stayed to witness the program at the cemetery. The band from St. Joseph's Military Academy, the Mt. Carmel Drum and Bugle Corps and the McKinley Drum and Bugle Corps supplied music for the marching units. Commanding divisions in the long parade were Capt. C. A. Ott, Frank De Patta, Walter Huggins, Capt. Edward J. Degutis, and J. Gene Barrett.

The rites at the cemetery opened with an ode played by the St. Joseph's band. Melvin Peterson, commander, Edmund Parrott chapter 16 of the Disabled American Veterans offered the prayer. Joe S. Farr, past commander of the San Mateo-Santa Clara county council of Veterans of Foreign Wars, gave an address dedicated to the unknown dead and tributes were paid by Mrs. Ida Thompson, president, General George S. Evans Relief Corps; Mrs. Charles Benedich, president United Spanish American War Veterans' Auxiliary; Mrs. Alice Covey, president, Veterans of Foreign Wars Auxiliary; Mrs. Lucille Benson, president, American Legion Auxiliary; Mrs. Marie Tamulenas, commander, Disabled Veterans American Veterans' Auxiliary; and Miss Shirley Lorber, president of American Legion Auxiliary Juniors. Gold Star Mothers, represented by Mrs. Emily Andrews, and the Fraternal Order of Owls both laid wreaths for the unknown dead.

A salute to the dead was fired by the U. S. Army Firing Squad, taps was played by Boy Scouts of America, and the Star Spangled Banner played by the St. Joseph's Military Academy Band.

William Wider was general chairman of the entire services and Mrs. Mary E. Winter, program chairman.

Mayor Granger today expressed his thanks to the committee and the representatives of organizations who helped to make the Memorial Day services a high spot in Redwood City annals.

A few chopped prunes and nuts added to regular yeast dough make excellent breakfast rings. Of course these are good for any meal. And, put together sandwich fashion with cheese or butter filling, will make a hit in the lunches that go to work.

YMCA: \$25 Helps Two Boys

A contribution for one campership actually will give two boys a chance for two weeks apiece at YMCA camp. O. H. Olson, camp manager, said today. For every \$25 which would ordinarily pay for two weeks at the Jones Gulch camp near La Honda, exclusive of transportation, two boys will be sent to camp and given the chance to work out half their expenses.

A donation to the Tribulations Club cosponsored annual campership fund, then, will do double duty. The boys, too, react more happily to the gift of a trip to summer camp if they feel they are earning at least a part of their expenses and the whole experience becomes even more valuable to them, the camp manager said today.

The personnel has been appointed for the Jones Gulch camp which opens June 21 for the first two-week period, and continues until Aug. 1. Mrs. F. M. Ferrel, in charge of the Sequoia cafeteria, will cook for the boys. Gene Brown from Stanford University will be life guard and swimming instructor again this year and Mrs. Brown will direct handicraft. Miss Agnes Spurlock will be the camp nurse and a YMCA official from San Francisco will have charge of the program, Olson said.

A. H. Sagehorn who was YMCA county chairman last year said this morning that camperships had done a world of good for boys sent to the Jones Gulch camp last Summer. One little fellow, in particular, Sagehorn recalled, had a grand two weeks of outdoor life with his school pals which would have been denied him but for the campership fund. All his friends were registered for camp but his home was broken up—there was no one to pay for a summer vacation for him—life was pretty bleak when his plight was called to the attention of the camp committee and a campership changed his world into a normal, happy one.

There are plenty of boys and girls in that young lad's situation who need the morale-boosting, citizenship-building experience of summer camp.

Contributions no matter how small will be added to the general fund and divided up to send needy youngsters to Girl Scout, Boy Scout and YMCA camp this Summer. Bring them to the Tribulations office.

Club Seeks New Squadrons

Write-a-Fighter Club, which sold more than \$100,000 worth of war bonds and stamps in its recent campaign, plans to open its ranks to 25 more squadrons in Redwood City, it was announced today, for a summer war work and civic duty campaign.

The expansion program calls for awards of cash prizes to the most effective squadrons. Enlistments must be made by squadrons (one leader, five other members) by mail over the signature of an adult. Enlistments are to be addressed to Write-a-Fighter Corps 124888, care of Postmaster, Redwood City.

Plans for the summer program will include war salvage assignments plus special work for the city, county, schools, post office and other agencies. Successful completion of each assignment will win credits for the cash awards.

Sponsors of the program said it had the support of City Mgr. Robert W. Mead, Police Chief C. L. Collins, Fire Chief Mark Ryan, Postmaster Robert E. O'Connell Jr., School Supt. E. I. McAuliffe and Probation Officer Francis Robinson.

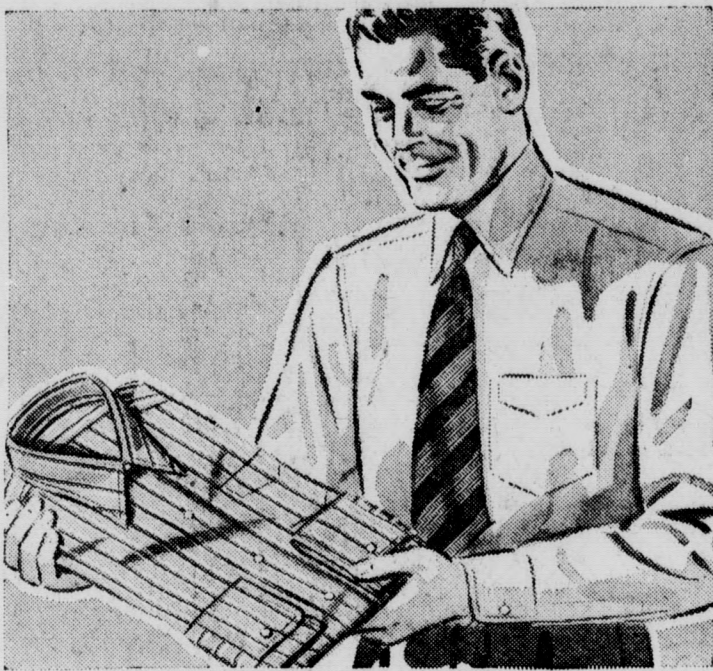

Lincoln Fete Again Postponed

Lincoln School students' annual crowning of the Queen of the May was postponed again today, Principal Earl Whitaker said in announcing that the ceremony will be a part of the annual Festival Day Wednesday, June 9. The entire day will be devoted to programs and games.

Final assembly of the school year will be held on Friday morning, June 11, when a patriotic program will be given and awards of merit for various student achievements will be made. Students were shown an educational film yesterday portraying the U. S. Coast Guard, its origin and functions. A cartoon film, a community song fest and dance numbers by Barbara Madrid, accompanied at the piano by Miss Bernice Showers, completed the assembly show. Barbara has entertained at many affairs, including the Shriners' Circus in San Francisco.

NOW...AT MONTGOMERY WARD JUNE PARADE OF VALUES ENDS SATURDAY

Yes, despite merchandise shortages, Montgomery Ward again brings you this great annual sales event. It's your opportunity to save on the quality merchandise you want for the summer months. But don't wait... prices go back to regular after Saturday. Hurry to Montgomery Ward... and save! Shop in every department now before this sale ends!

Johns-Manville Journal

No War Profits At J-M

JOHNS-MANVILLE made less profit in 1942 than in 1940 (its last peacetime year) although its sales were 46 million dollars greater.

In other words, the company took care of the \$42 million business increase resulting principally from war demands, and at no gain to itself.

In 1942, J-M made provision for taxes at 17½ million dollars—which can be thought of as additional war aid, on top of the company's production of war materials. (Taxes in 1942 were equivalent to \$1,098 per employee. They were almost 13 million more than in 1940.)

This double war aid is not unusual among big companies today.

Each dollar received by J-M in 1942 was divided as follows: to employees, 34c; to government for taxes, 15c; for materials and other costs of doing business, 46c; to stockholders in dividends, 2c; left in the business for future needs, 3c.

All these figures and others are to be found in J-M's report which Mr. Lewis H. Brown, President, issues to all jobholders each year. Anybody who works at J-M gets a full report on sales, profits, etc., at the same time reports are made to stockholders who own the company.

J-M FAMILY ALBUM SALVAGING THE BRONZE

Every scrap of valuable metal is salvaged for the war effort at J-M plants; in the picture, the last operation—that of pouring molten bronze into molds that form welding rods is shown; but before that all bronze fittings have been segregated and tossed into the melting pot. The bronze welding rods are essential in welding and repairing worn paper mill screen plate holders.

He's a Salesman!

A. L. (Mack) McClurg, J-M Building Materials representative in Oklahoma City, set out with a team of Rotarians to sell a million dollars worth of War Bonds.

'Mack,' the record now shows, sold a quarter million dollars worth himself—and the team more than tripled its quota.

After the job was done, the team sat as a "Supreme Court" and sentenced Hitler to accept the bonds in the form of cold steel.

L. R. Hoff Honored At 43rd Year Mark

At an anniversary event May 7 marking his 43rd year with Johns-Manville, L. R. Hoff, vice president of the company and president of the J-M Sales Corporation, was honored with a new title.

"During his career," said President Lewis H. Brown, "Johns-Manville has rolled up sales totaling \$1,332,392,000. He made of his salesmen 'Ambassadors of Commerce' and he himself became our 'Secretary of Commerce.'"

In his talk highlighting Mr. Hoff's accomplishments, President Brown brought out some interesting facts regarding Johns-Manville's history. In 1900 when Mr. Hoff was first connected with the industry, the old H. W. Johns Manufacturing Company boasted total sales of a little more than a million and a half.

Mr. Hoff, who started as a stenographer, soon made his influence felt in the sales field and contrived to train and inspire salesmen so that it was accepted in the industry that "Hoff and his men could sell anything."

More than that, he imbued his staff with the conception of salesmanship that called for genuine service and understanding of the needs of the customer. He built markets, shaped selling programs and molded the future of J-M products that today are familiar necessities throughout the land.
